Scott/Tucker - it appears that questions 1-11 and 15 of this letter are within R6's sole expertise and knowledge. Would you all be able to get some draft answers to OECA by COB this Friday, May 4?

Attached below is a preliminary draft of responses for questions 9-16. Let me know if you have any additions/edits/concerns.

Rich

P.S. We will be meeting with DAA Chester tomorrow for a status briefing.
